### Our Promise –

Kilninver Primary School and ELC is a small rural school with a big vision. Our children will learn through stimulated curiosity and adventure in a nurturing environment, using all our learning spaces, including our outdoor environment and woodland area. Our children will be encouraged to explore, discover and be challenged. The children will be taught the key values of respect, trust, friendship and kindness which will underpinned by a focus on Children's Rights.

### We know we learn best by:

- Being active
- Working together
- Sharing my learning with my family
- Being challenged – in my class and in my Clan
- Having choices how I learn and the tools I use
- Knowing what I am going to learn
- Knowing my next steps to improve
- Having staff who care and are ready to listen

## Our Year -2024 2025

### What is important to us:

- Learning in our woods
- Trips to interesting places
- PE
- Gardening and growing
- Loose parts and being creative
- Nature and caring for it
- Being kind to each other and taking care of each other
- Having the freedom to play on the hill
- Our Green Flag work and caring for our school
- Our Rights and thinking about the rights of other people.
